Emily Cahill is the Vice Chair of the Will County Young Republicans. Emily is an ally of Proud Boys and the fascist 2A group IGOT with fascist Carl Arriaza. With these allies, Cahill helps to organize Chicagoland Back The Blue Events and livestreams Stop The Steal events on social media. Furthermore, Cahill can often be spotted on social media being pictured with Proud Boys and spreading racist propaganda like Pepe the Frog and the Kekistan Flag (based on the Nazi Battle Flag)
